Chamber Music Amici

2019/2020

October 7 - December 16 - February 3 - March 8 - April 13 - June 8
Welcome to our 2019/2020 Season

What do we love about chamber music? We love the intimacy and immediacy, the democracy of the process, the spontaneous magic that can happen in performance, and the connection between performers and audience. In a small hall like the Wildish, that distinction between the two practically evaporates! The audience can hear us breathe and watch our interactions while we are aware of the gift of your response and that too, becomes part of our shared experience.

As I look back in the Amici archives at the concerts of our past decade, I find myself marveling at the scope and depth of our history together. In 2019/2020 we continue to mix the known and unknown, the comfortable and the challenging in this coming season.

We are excited to welcome several guests, new and returning, to join us in celebrating the start of our second decade in our home, The Wildish Theater. I want to mention that Amici will present an additional concert in March featuring student musicians playing alongside Amici Core and guests--an exciting first and a concert very dear to my heart. Don’t miss this chance to hear these stellar young musicians and see that the future of chamber music is in good hands!
